

This letter comes with great excitement and expectation! Recently, I have been invited to participate in the Passing It On Academy Soccer Camp, which is an exclusive opportunity for a select group of men's college soccer players (20), that is designed to prepare and equip leaders and disciples.

The experience will be led by Ken Lolla, his family, and highly experienced staff. Ken has over 30 years of collegiate coaching and leadership development experience and is presently the young adult pastor at Evangel World Prayer Center. **Passing It On Academy will be conducted in Charlotte, NC, July 17-30, 2022**, in partnership with Elevation Church, to provide the best resources and growth experience.

We will be training every day in preparation for the upcoming preseason, while also participating in leadership classes and discipleship experiences. It has been a passion of mine to continue my growth as a soccer player and leader in my faith. This provides a unique opportunity to develop in all of these areas at one time.

Each participant is asked to contribute **\$250** to offset the cost of the camp, yet it will not meet the needs of conducting the camp. The cost of conducting the camp will be over **\$40,000**.

I am asking you to partner with me and donate to Passing It On Academy, while supporting my growth and development as an aspiring soccer player and disciple for Christ. Your contribution will not only support my present journey of growth, it will ensure the legacy of Passing It On Academy for future aspiring Christian soccer players. I am asking that you would partner with me in this opportunity of a lifetime. Thank you in advance for your generosity. Your reply is greatly appreciated and anticipated!

The opportunities to partner are:

Online by completing the donation form at www.kenlolla.com/passing-it-on-academy

Or send a check to:

Passing It On Academy

9504 Delphinium Street, Prospect Ky, 40059

All checks can be made out to: **Passing It On Foundation, Inc.**
